universe and mankind atheists want you to believe you will simply rot in the ground and accept life with no future hope if you are an atheist don t laugh at this thought and concern as a christian i care for you and your soul that is certainly more than what the atheistic thinking has in mind for you atheism under the influence of satan offers you nothing but the door way to eternal conscious separation from god this book is a direct challenge to the thoughts and beliefs of the atheist i wrote this book with the hope it just might stir the mind of a non believer then believing the holy spirit will do the rest

all things to all people is an introverted narrative penned by the son of a gospel preacher and his alter ego begees mcfree this playfully written autobiography of a simple quiet and peaceable man guides the reader through depression induced insomniac confessions looking deep into the often hidden places of the heart and mind these confessions freed the writer from lies and misunderstandings that had been buried deep within all things to all people shares the spiritual struggle of a man after a divorce broke apart his life and separated him from his children begees uses freewriting to disentangle his poor choices from his good intentions gaining more selfcontrol and growing closer to god while strenuously pushing unbelief out of his mind

i first met susan batson in new york just a week before i made peacemaker we worked together in earnest for two years on eyes wide shut in london and on every film i ve done since wherever they ve taken us this book you hold is called truth and that title precisely describes the core of the work susan batson and i do together i can t create unless i have truth i have to feel it susan helps me to find the truth in myself and use its purity intimacy and honesty to make my work real she s helped me to nurture and protect truth in myself and in the characters that i ve played what i ve learned from susan is how to keep the truth alive no matter what there s so much more to acting than just creative success it runs thicker and deeper than that it has to it s in my blood it beats through me i know that it s in susan s blood too i feel like we ve been together my whole life a great teacher can make anything seem possible so many of the actors i ve admired and idolized and in a few lucky instances been blessed to work with were shaped and inspired by teachers who opened them to the possibilities of their art among actors lee strasberg sanford meisner and jeff corey are just as legendary as their pupils marilyn monroe robert duvall and jack nicholson i am confident that susan batson will go down in history as one of acting s legendary teachers i only hope that my work can contribute to her legend i ll always be grateful that i found her and now through this book you ve found her too book jacket

this book is the preliminary part of a great work titled the book of the egyptian the beginning of the basic egyptology or a key to the understanding of history philosophy and

world religion usually the introduction is made in the form of a brief preface or foreword but i got a whole book as the first step in a multi volume publication of the study the purpose of this specific introduction as the beginning of serious research is right at the level of the opening to inspire a reader showing him in a clear visual and comprehensible form the whole true mechanism of the hieroglyphic writing to achieve this i will completely dispel the myth created by the modern science that hieroglyphs do not convey any meaning of words the whole idea but only individual sounds letters or their combination syllables this scientific myth will be finally deprived of the status of scientific knowledge and the translation of the phaistos disc on the contrary will be clearly shown what is called broken apart and will be read in the ancient hieroglyphic language united by the principle of construction in the language of the ancient egyptians i can say that it will not be two simultaneously existing systems of hieroglyphs translation as well as two egyptologies one will be false and the other true to prove the validity of the system of translation i wanted to give you immediately not only a complete translation of the text of the phaistos disc where the number of occurrences of each hieroglyph is not big 1 to 19 times but the translation of the whole ancient egyptian writing because the number of times it is used in there is thousands if not even millions and each such use of each hieroglyph is translating in the same way so it creates the full reading of the hieroglyphic texts writing which will be easily read by everyone with the dictionary of hieroglyphs in the future the main reason why i wanted to do it is because at first i read the ancient egyptian texts and only then by chance came across with the hieroglyphs of the phaistos disc but then i decided to set a different aim to teach the reader to think and not just to read hieroglyphs since we have no ancient egyptian temple and you re not its novice the method of achieving the aims will be different than in the antiquity first of all i would suggest not a translation of ancient egyptian hieroglyphs but a complete translation of the phaistos disc and at the same time to give them a sort of test of common sense to modern science in the face of particular academies and universities of the world let them answer me the question not knowing the translations of ancient egyptian texts whether they think this translation of the phaistos disc is correct so when i completely publish the book of egyptian it will become clear who they are and where do they lead all of you as they always test the students it s a time to test them as well will they pass the test i do not know but any way you my reader will get to know about it in the main manuscript and will be able to draw your own conclusions about their intellectual level therefore i recommend you to take this message of the book at least with the attention because not every day the science gets a ready revelation designed in the form of scientific study and here the attention and common sense will help the reader to re look the original pure uncomplicated meaning of the hieroglyphs which through the veil of delusion will finally begin to appear in their true original and vibrant colors and finally get from the nether world into the realm of the living
